Dear Teletypesetter Customer:

Enclosed are your copies of the new Teletypesetter Parts Price List, Parts Order Form and Equipment Order Form.

These prices become effective on January 1, 1962 and supercede all previously issued Teletypesetter prices and price lists.

Although many prices remain the same, there has been a modest increase in others. This increase is essential in order to meet the rising costs of manufacture.

All orders for Teletypesetter equipment received on or before January 1, 1962 will be filled at present prices.
