Typecasting Hand Mold

Photographs by John Henry
These are photographs by John Henry of a 24 point (Double Pica) hand mold once owned by him (he sold it in 2009).

These photographs are Copyright 2009 by John Henry and are used on www.CircuitousRoot.com with his permission. Please do not copy them without first obtaining permission from him.

PDF created February 2011 by Dr. David M. MacMillan (dmm@Lemur.com) for CircuitousRoot.
